	Smeralda Grey	Silky Baby (xx) Gold Song IMP	by What A Pleasure (xx) by Goldstern

A classy young Hanoverian stallion with a fantastic temperament and trainability, scopey elevated movement, modern refined good looks and a pedigree full of top Performance Tested sires and producers of World Champions. His Premium Status sire "Gymnastik Star" and prepotent dam-sire "Graf Landau" have both produced many NZ and Australian Supreme Champion Dressage Horses from Prelim to Advanced, Grand Prix showjumpers including Australian Showjumper Of The Year and exciting young eventers such as "Walk The Line" with William Fox Pitt (UK).

Gym Bello's dam hails from a German imported female family that has produced top performers and licensed stallions. While his pedigree holds tremendous jumping blood, this is often said to be a requirement in achieving the necessary elevation and athleticism for high level dressage, and Gym Bello's own movement and jumping ability clearly show this.

Gym Bello's young progeny impress with their exceptional calm, willing temperaments, elevated movement, athletic jumping ability, natural topline and beautiful heads. He consistently produces very attractive, modern, versatile types with the trainability, rideability and scope for any discipline.

**Stud Fee: NZ\$2000 all inclusive. AI only. LFG & Service Contract.**
