Ramirez is a magnificent Holsteiner stallion with world class bloodlines and huge presence. His sire is the legendary "Ramiro Z" who, having been consistently rated year after year among the world's Top 10 Sporthorse Sires for his outstanding breeding and offspring performance, has earned the titles 'Stallion of the Century' and 'King of Sires'. Ramirez's dam "Riletta", by "Roberto", is from the female family of champion showjumper "Corrado". She was also a top performer competing at Advanced 'S' Level Showjumping.

Ramirez has a beautiful expressive head, upstanding conformation and a kind, intelligent mind. His performance career in Germany was highly promising; he scored 9s & 10s for paces and showed exciting jumping ability and scope, with great willingness to perform - before injury forced an early retirement. Ramirez is now proving his potential at stud by producing attractive, athletic, character filled progeny with big springy uphill movement, powerful jumping technique and plenty of talent for top performance. His oldest progeny are already winning with distinction in National and local level Showjumping, Showhunter, Dressage, Eventing and Showing competitions.

Stud Fee: NZ\$2000 all inclusive. AI only. LFG & Service Contract.
