FEES

- * The Service Fee is NZ\$2000 plus GST (\$2,300).
- * This fee includes a non-refundable Booking Fee of NZ\$300 including GST payable on the signing of this contract. This ensures your place in the stallions' service book which may be limited.
- * The balance of the Service Fee NZ\$2000 including GST is payable **BEFORE** the first shipment of semen takes place. Semen will not be sent unless payment has been received.
- * The receipt of the Service Fee confirms the mare's reservation to breed to the named stallion in the current breeding season that extends from 1st September to 14th March.
- * Stallion services are by Artificial Insemination (AI) only. Collection Fees and Freight costs will be invoiced monthly. Collection Fees for fresh/chilled semen are NZ\$200+GST per collection.
- * Courier transportation costs for semen freight are dependent on your location and will be invoiced monthly. Semen transported on public holidays (eg Christmas Day) may incur additional freight charges. We require the semen shipper to be returned back to the stud within 48 hours, at your cost. Any shipper not returned will be charged for @ \$75.00 per container and it is the responsibility of the breeder to arrange for its return to the stud.

LIVE FOAL GUARANTEE / RETURN SERVICE

- * All stallion services come with a Live Foal Guarantee (LFG) which exists up to 24 hours of age. If a live foal does not eventuate, a Return Service for the **following season** to the named stallion will be given. The Booking Fee, Collection & Freight Fees will apply again. If not used the following season, the Return Service will expire.
- * A Return Service will also be given if a pregnancy test proves negative 42 days after service. Veterinary certificate is required.
- * The live foal guarantee does not apply:
 1. If the mare is sold, exported or dies.
 2. If the mare is not foaled under approved supervision at a recognised stud or veterinary establishment, OR under mare owner's supervision at the discretion of Astek Stud.
- * Should the nominated mare fail to conceive a pregnancy, she may return to the same stallion the following season, but will be liable for another Booking Fee and associated collection / freight costs.
